A Sure Way to Make Money.

In the buying of goods, most people who wish to prosper, study economy in their purchases; and it is a truth, that the item of Boots and Shees is no small one, in the families of both rich and poor. To reduce the expense of that item, it becomes necessary to buy where the best and greatest quantity of goods can be found, fog the least memor; and that place is at an esclusively Boot and Shee store.

C. G. Bridges, of Troy, keeps the only Boot and Shee store in the city, and has an excellent variety of all goods in that line. He has them fine, and also common, but always recommends good goods. He proposest keeping the largust stock in Northern Kansas, and selling them to cost longer as low that they can essential him in the do, and buy cheaper than at St. Joseph or Atchiem. TO WHOM IT MAY CONCERN.

We are informed that alnoe we have given up the use of the old Trade Mark of HOLLOWAY'S PILLIS and OINT-MENT, some unprincipled persons have commenced the manufacturing of them, offering them as old stock made two or three years since. WE CAUTION all Dealers and Druggists against purchasing them, as we shall seize them wherever found.

We have gone to a great expense in having a new Water Marked paper, with our Trade Mark is it, as per sample enclosed. On and after this dade, this quality of paper will be used to wrap areand each Bor of Pills or Pot of Ointment or Expectorant, and in due course will be extensively advertised as the only Genuine. One of the worst feature about these counterfeits is that the Pills have no exharite effect, and that the Otstment is a positive injury, having produced in some cases mortification of the leg. We have complaints every day of this character and know them to be trans. complaints every day of this character and anow them to be true.

These parties offer the old style of HOLLOWAY'S.

Impurities or diseases that have bried in the system for years soon yield to this powerful anti-lote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofulla, and all aerofulous diseases. Ulcers, Eruptions, and cruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Fryslpelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerntions of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Drupsy. Dyspepsia, Fits, Neuralgin, Heart Disease, Female Wenkmess, Debility, and Leucorrhors, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the directive organs, it dissipates the depression and listless languor of the season. Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the onits high standard; and it is the on-ly reliable and perfected prepara-tion for restoring Gray or Faden Hair to its youthful color, making jt soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic proper-ties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applica-tions, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
